RE: LETTER OF RECOMMENDATION: PERFORMANCE PAINTING

Performance Painting Contractors cc have just completed an extensive project at Glenwood High School in the upgrading of one of our facilities.

I can highly recommend them for any contracting and maintenance projects as we found PJ and his team to be reliable and efficient. We were very happy with the workmanship and end result.

PJ also assisted by taking on the role of Project Manager for the renovation and I found him to be very professional throughout the process. His communication and willingness to assist where possible made the running of the project a better experience for all concerned.

Should you require any further information, please do not hesitate to contact me.

Yours sincerely,
